Friday

Scripture: Deuteronomy 15:1-11

Question: The Old Testament teaches us through the law of Moses, that we should be generous toward our "poor brother." How can we increase our generosity toward those in need, even beyond financial means?

Saturday

Scripture: John 12:1-11

Question: During an anointing of Jesus by Mary with expensive perfume, Jesus offers a strange phrase, "you will always have the poor among you." Does this mean our ministry to the poor will always require our gifts? Is there somewhere that God is calling you even deeper in generosity today?
